

E-Ballots

E-balloting means that instead of going to a ballot table to find a schematic and grab your ballot, you will get a notification on your phone sending you directly to your round. After the round when you've made your decision, you just enter it directly into the tab system. Neat, clean and fast! Plus, the ballots go on line for the debaters to consult later—no more lost ballots.

The first step in casting e-ballots is to register with tabroom.com. It is best to do this in advance of the tournament.

1. Go to **Tabroom.com**
2. Click **Sign Up** in the top right corner to create an account.

The form includes the following fields: "Email Address", "First Name", "Last Name", "Phone Number", "Cell Provider" (dropdown menu with "AT&T" selected), "Time Zone" (dropdown menu with "New_York" selected), "State (if applicable)", "Country" (dropdown menu with "United States" selected), "Password", and "Repeat the Password". A green "Create Account" button is located at the bottom right of the form. A note at the bottom left states: "* These fields are required." On the right side of the page, there is a vertical sidebar with the text "AT We pro text out you 'La to g Sigr acc acc Tab to l you eve You at e Tab Acc sek turr not adm T&".

3. Once an account is created, click **Link your account to a judge** under the **Your Account** header.

4. Search for your judge record within the tournament you're attending to connect your account.

As soon as you arrive at a tournament, connect to the wireless network.
